General Refund and Cancellation Policy

RMCAD reserves the right to alter its curriculum, cancel courses or change faculty without prior notice when circumstances warrant. All Continuing Education programs are subject to a minimum enrollment. If your program is canceled by RMCAD for any reason, a full refund will be issued. Participants assume the risk of change in their personal schedule or health, no exceptions. If you withdraw up to ten days before the program starts (excluding the Art + Design Academy Summer Camps and Workshops), full refunds less a \$50 nonrefundable registration fee are given by check. After that time, but before the program begins, a CE credit will be issued for withdrawals. Participants must contact the Continuing Education office, as instructors are not authorized to issue credits. CE credits will be given in the amount of registration less the \$50 nonrefundable registration fee. If registration fee is less than \$50, no CE credit refunds will be given. Refunds will not be issued after the start of a program. Transcripts will not be established for students of non-credit courses. CE students taking non-credit courses do not qualify for financial aid.

Please indicate the program(s) for which you are registering:
