Applying for Veterans GI Bill Education Benefits

Start the application process by visiting www.gibill.va.gov. Click on “Apply for Benefits” near the center of the screen: go to “Apply Online (VONAPP).” Be sure to complete the application in one sitting. If you exit, you must start over again which will delay processing. Please retain confirmation number.

Either attach a digital version of your Member-4 or Service-2 DD214 to the VONAPP or submit the VONAPP online and then mail a copy of your Member-4 or Service-2 DD214 to: The Department of Veterans Affairs, Attention: RPO P.O. Box 100022, Decatur, GA 30031-7022. Always retain your original Member-4 or Service-2 DD214. Active Duty: Contact your Command Educational Officer.

Please note that it takes 60-120 days for the VA Regional Processing Office to handle claims for benefits. The earlier you prepare and submit the paperwork, the more likely you are to receive your benefits in a timely manner.

Once the VA determines your eligibility, a copy of the Certificate of Eligibility (COE) will be mailed to you. This is your final confirmation that you can use your benefits. To verify certifications, payments and eligibility, call the Department of Veterans Affairs at 1-888-442-4551. If you have misplaced any required documentation for initiating the process of using VA benefits, your record can be requested at: http://www.archives.gov/veterans/military-service-records/standard-form-180.html.

Print and send a copy of your Member-4 or Service-2 DD214, VONAPP, and current COE to RMCAD via mail: ATTN: Military Benefits, 1600 Pierce St. Lakewood, CO 80214 or email your Admissions Counselor.

Rocky Mountain College of Art + Design awards Previous Training Credit when applicable. A veteran student must submit transcripts so that RMCAD can determine if previous education and training are appropriate for transfer. If eligible, both the VA and the veteran student will be notified that training time and tuition will be reduced proportionately. Several transfer credits can affect some students’ VA entitlements and financial aid.

Contact your RMCAD Admissions Counselor to confirm the use of your benefits. Please contact your Military Representative or Admissions Counselor if you have any questions or concerns.

Montgomery GI Bill - Active Duty
- Chapter 30

ELIGIBILITY REQUIREMENTS

The Chapter 30 version of the Montgomery GI Bill requires active duty service members to contribute $100.00 per month for the first 12 months of their enlistment. MGIB may also be used while on active duty. However, each service has additional educational benefit programs for active duty members, and most delay using MGIB benefits until after separation, discharge, or retirement.

MGIB benefits may be used up to 10 years from the date of last discharge or release from active duty. The 10-year period can be extended by the amount of time a service member was prevented from training during that period because of a disability or because he/she was held by a foreign government or power. The 10-year period can also be extended if one re-enters active duty for 90 days or more after becoming eligible. The extension ends 10 years from the date of separation from the later period. Periods of active duty of less than 90 days qualify for extensions only if one was separated for a service-connected disability, a medical condition existing before active duty, or hardship.

BENEFITS

The Buy-Up option allows active duty members to contribute up to $600.00 more toward their MGIB. For every dollar the service member contributes, the federal government contributes $8.00. Those who contribute the maximum ($600.00) will receive $5,400.00 in additional funds, but not until after leaving active duty. The additional contribution must be made while still on active duty. Please reference www.gibill.va.gov for current amounts.

* Amount is reviewed annually by the Department of Veterans Affairs and is subject to change without notice

Post-9/11 GI Bill  
- Chapter 33

The Post-9/11 GI Bill is a new education benefit program for individuals who served on active duty on or after September 11, 2001. Only active duty service performed after September 10, 2001 may be considered for determining eligibility. A service member or veteran must have served at least 90 aggregate days on active duty. However, individuals honorably discharged for a service-connected disability who served 30 days after September 10, 2001, may also establish eligibility. Active duty for training does not qualify as eligible active duty.

Per the COE, student must be 100% eligible for the Post-9/11 GI Bill in order to receive Yellow Ribbon.* Anyone less than 100% eligible for the Post-9/11 GI Bill will NOT be eligible for Yellow Ribbon, this includes dependents using transfer benefits.

*Beneﬁts

Cost of tuition and fees, not to exceed the most expensive in-state undergraduate tuition at a public institution of higher learning in the state you are attending school. As of August 1, 2011, the Department of Veterans Affairs initiated a new national limit for private school funding. The 100% tier level will pay a maximum of $19,198.31 for the 13/14 VA Award Year (August 1 through July 31) toward tuition and fees. This begins with all individual classes starting on or after August 5, 2013. This limit will be in effect for veterans, veteran dependents, and active duty service members. Beginning August 1, 2011, break (or interval pay) will no longer be payable under MGIB-AD except during periods your school is closed as a result of an Executive Order of the President or an emergency (such as a natural disaster or strike). For example, if your classes end on December 15th and your classes resume on January 10th, your January housing allowance will cover 15 days in December and your February housing allowance will cover 21 days in January.

On-campus and/or Hybrid are 100% eligible according to the COE

- Basic Allowance for Housing at a maximum of $1,302.00 per month. The Veterans Administration has determined that the monthly housing allowance be equal to the basic allowance for housing payable to an E-5 with dependents in the same zip code as the school.

- Yearly Books and Supplies Stipend of up to $1,000.00 maximum paid directly to student per VA Award Year, August 1-July 31.

Online students

- Effective October 1, 2011, Online (Distance Learning) students will receive the Basic Allowance for Housing. Payment will be equal to half the national average for an E-5 with dependents, which is currently $684.00.

- Yearly Books and Supplies Stipend of up to $1,000.00 maximum paid directly to student per VA Award Year, August 1-July 31.
Active Duty

- Effective March 5, 2011, the Department of Veterans Affairs instituted a tier system for the Post-9/11 GI Bill similar to that used for determining a veteran’s eligibility for benefit award amounts. Tuition and fees will be covered at a percentage equal to the tier rating (100%, 90%, etc.).

- The maximum basic benefit is earned after serving an aggregate of 36 months of active duty service or after 30 days of continuous service for those individuals who are discharged for a service-connected disability. Individuals serving between 90 days and 36 months of aggregate active duty service will be eligible for a percentage of the maximum benefit.

- The percentage level ranges from 40% to 100% of the basic benefit. For example, an individual with five months of qualifying service could receive 40% of the monthly housing allowance, and a maximum of $400.00 Books and Supplies Stipend per VA Award Year, August 1-July 31.

Children who have used or wish to use entitlement under Dependents Educational Assistance (Chapter 35) refer to that section in this handbook for more information:

Military Tuition Assistance (MTA)

ELIGIBILITY REQUIREMENTS

Armed Forces Tuition Assistance (TA) is a benefit paid to eligible members of the Army, Navy, Marines, Air Force, and Coast Guard. Congress has given each service the ability to pay up to 100% for the tuition expenses of its members. Each service has its own criteria for eligibility, obligated service, application process and restrictions. This money is usually paid directly to the institution by the individual services.

Active duty members may elect to use the MGIB “Top-Up” in addition to their service provided TA to cover high-cost courses. TA is not a loan; it should be viewed as money you have earned just like your base pay. In accordance with Department of Veterans Affairs instructions, TA benefits cannot be used in conjunction with GI Bill benefits for same month of classes. Please visit your particular service’s website and start taking advantage of this opportunity:

Army Tuition Assistance - http://www.goarmyed.com/
Navy Tuition Assistance - https://www.navycollege.navy.mil/
Marines Tuition Assistance - https://www.navycollege.navy.mil/
Coast Guard Tuition Assistance - http://www.uscg.mil/hq/cgi/
National Guard Tuition Assistance - http://www.goarmyed.com/
Reserve Guard Tuition Assistance - http://www.armyreserve.army.mil

BENEFITS

MTA pays $250.00 per credit hour and a maximum of $4,500.00 per fiscal year and is paid by the Department of Defense (DOD). In order to qualify for this assistance, the service member must inform the Admissions Counselor at RMCAD of their intent to use TA. Once enrolled in school, Rocky Mountain College of Art + Design will draft a degree plan detailing your courses, cost per credit hour, and start/end dates.

DOCUMENTS RMCAD NEEDS FROM STUDENT

The student will need to upload the degree plan to the online education portal and also send the plan to their Education Services Officer (ESO).

The ESO will give the student the Tuition Assistance Authorization form to forward to RMCAD’s Financial Aid Department. This process must be completed for every month of class(es).

RMCAD’s Financial Aid Department will forward the form to RMCAD’s Business Office for invoicing.

Send copies of your Tuition Assistance Authorization form to RMCAD mail: ATTN: Military Benefits, 1600 Pierce St. Lakewood, CO 80214 or email your Admissions Counselor.
Tuition Assistance Top-Up (TATU)

ELIGIBILITY REQUIREMENTS (Active Duty)

This assistance is only for Online students at Rocky Mountain College of Art + Design and has the same attributes and follows the same rules as MTA, but works in conjunction with the Montgomery GI Bill to fully cover a student’s tuition. Chapter 30 active duty recipients who are also being paid tuition assistance by DOD are eligible.

There is no Top-Up provision for Chapter 1606 Guard/Reserve or Chapter 32 VEAP participants.

BENEFITS

TA contributes the $250.00 per credit hour and $4,500.00 maximum per fiscal year, and then tops off the tuition coverage by taking from the monthly GI Bill payments to cover what the TA doesn’t. The student is required to cover financial aid upfront due to differing payment methods between different branches of service.

You must first apply for MGIB benefits with VA Form 1990 and establish eligibility. TATU benefits will only be paid to eligible Chapter 30 individuals. You should submit a copy of the DOD TA form directly to The Department of Veterans Affairs.
